## Appendix B – Capdevielle Year Scoring – Cox-Sprague Scoring System

### B1 DESCRIPTION

In each regatta, each yacht club shall be credited the number of points indicated on the accompanying table for its finishing position. The number of entries determines which column is used for the series. At the end of the Capdevielle year, each club's total score shall be divided by the sum of the scores of the winners of club's best eight series finishes. The highest resulting score wins. **Note:** Points in parentheses are for DNF and DSQ.
