NOTICE OF RACE

Southern Yacht Club invites to the following classes to enter the 2019 Gulfport to Pensacola Race: PHRF; ORR-Ez, Offshore Multihull; Cruising; Cruising Non-Spinnaker; and Rally.

This race is the second leg of the Sawgrass Offshore Series for the Barnett Trophy.

The Deeds of Gift of the following perpetual trophies are supported by this event: Governor of Mississippi Trophy; Dr. Logan Emlet Trophy; Governor Kennon Bowl; Art Mahoney Trophy; Pollack Trophy; Schreck Trophy; Tootie & Joel Barnett Trophy; Mystere Trophy in Memory of Philip C. Spangenberg.

The Organizing Authority (OA) is the Southern Yacht Club (SYC) of New Orleans, La. The event is sanctioned by the Gulf Yachting Association (GYA) and the host clubs are Gulfport Yacht Club (GYC) and Pensacola Yacht Club (PYC). Regatta Management Systems (RMS) is the host for online registration. The OA reserves the right to accept or reject the entry of any yacht and will have the authority to interpret the conditions governing the event and shall assign yachts to classes.

1 RULES

1.1 The regatta will be governed by *The Racing Rules of Sailing* (RRS) including the US SAILING prescriptions; the GYA Regulations for Sanctioned Events; applicable class and/or rating rules; the Notice of Race (NOR); and the Sailing Instructions (SI). If there is a conflict between rules, succeeding documents in this list shall govern. This alters RRS 63.7.

1.2 TWO-LENGTHS CUSHION AFTER DARK – When yachts meet between sunset and sunrise, for added safety, they shall act with the expectation that if they come within two (2) of the longer boat's lengths of each other, the protest committee will presume that a right-of-way boat will need to take avoiding action and the other boat is, therefore, not keeping clear. This does not apply to yachts finishing.

1.3 MONOHULL yachts shall be governed by the *By-Laws of the GYA Performance Handicap Racing Fleet* (GYA-PHRF).

1.4 MULTIHULL yachts shall be governed by the *GYA Multihull Council Safety Recommendations* (GYA-MC) for Category 2 events, except that all instances of “should” are replaced with “shall” and except for any other modifications herein.

1.5 RRS 52, 55, 62.1(a), and 63.7 are altered herein. Other documents may change other rules.

1.6 MOTORING while racing is allowed in the Rally Division only for an aggregate total of up to two (2) hours.

1.7 POWERED WINCHES and AUTOPILOTS are allowed in Cruising and Rally Divisions only. This alters RRS 52.

1.8 Yachts shall set only one (1) headsail at a time and only one (1) staysail per mast, which shall not extend beyond the rated LP distance.

1.9 NON-SPINNAKER classes shall set only headsails and staysails ahead of each mast and only in their designed and rated configurations. Whisker poles are permitted.

1.10 RRS 55 is appended with the following: “However, discarding biodegradable, environment-friendly bands when setting a sail is permitted.”

2 YACHT ELIGIBILITY

2.1 The regatta is open to auxiliary offshore yachts with a valid rating certificate issued by the GYA-PHRF (see also NOR 2.4) and/or the Offshore Racing Association (ORR-Ez). Portsmouth multihulls (beach cats, etc.) are not eligible and trapezes are prohibited.

2.2 Each yacht shall have an auxiliary propulsion system with sufficient stored power to motor for at least four (4) hours at a minimum speed in knots equal to the square root of her load waterline length (LWL) in feet.

2.3 Yachts entering the CRUISING DIVISION must have an inboard engine and at least one (1) of the following:

- GYA-PHRF Cruiser Furling (CF) classification.
- A fixed (non-folding, non-feathering) propeller.
- An above-deck, roller-furling headsail system permanently installed on the forestay.
- Headsails that attach to the forestay with luff hanks, spaced not more than 48 inches.

2.4 The RALLY DIVISION is open to yachts presented as genuine cruisers. A GYA PHRF rating is recommended, but not required. The OA will assign ratings as needed which are not subject to redress. This alters RRS 62.1(a).

2.5 The OA may modify or reject a yacht's entry if it is deemed to be inconsistent with the intent of the eligibility requirements.

3 SAFETY REQUIREMENTS

3.1 RACE TRACKING – Each yacht shall provide and carry a GPS tracking device in accordance with the appendix RACE TRACKING SPECIFICATION. The device shall be operational from the time a yacht casts off before the start and until she next docks, after finishing or withdrawing from the race.

3.2 The equipment listed in Appendix A—MANDATORY SAFETY EQUIPMENT is required for all yachts. Additionally, the OA strongly recommends compliance with [US Sailing Safety Equipment Requirements](#) (US SER) for a Coastal race.

3.3 All yachts will be subject to random inspection for compliance with Appendix A and their rating certificates. Yachts found not in compliance will be subject to protest by the Race Committee which may result in disqualification or other penalties. These inspections are made for rules enforcement purposes only; the RC will not assess nor warrant the safety or seaworthiness of yachts or crews.

3.4 Prior to the start, each yacht shall hold a man overboard (MOB) briefing or drill involving the full crew.

3.5 At each yacht's Prestart Check-in, every soul aboard shall be visible on deck wearing a Personal Flotation Device (PFD) and a handheld VHF shall be displayed.

4 CREW ELIGIBILITY & RESPONSIBILITIES

4.1 The term “Skipper” as used herein means the person, whether or not the owner of the yacht, who is so designated on the entry form and who is the Person in Charge of the yacht during the race. The Skipper is responsible for the yacht, its handling and safety, the conduct of the crew before, during and after the race, and compliance with the Notice of Race and the Sailing Instructions.

4.2 The Skipper shall make all race documents available to each crew member for review.

4.3 The safety of a boat and her crew is the sole and inescapable responsibility of the Owner, who shall do his best to ensure that the boat is fully sound, thoroughly seaworthy and manned by an experienced crew who are physically fit and sufficient in number to sail the boat in adverse conditions. The owner must ensure that all safety equipment is properly maintained and stowed and that the crew knows where it is kept and how it is used.

4.4 Single-handed entries will not be accepted.

5 NOTICES TO COMPETITORS

Amendments and notices will be posted on the official notice boards at SYC, GYC and online at RMS. Electronic notifications (email and/or SMS) will be sent to competitors registered via RMS.

The SAILING INSTRUCTIONS will be available online prior to the event.

Intra-team communication while racing is prohibited by RRS 41.
