

GULF YACHTING ASSOCIATION

The Gulf Yachting Association was organized to promote the sport of yacht racing on the Gulf Coast and in nearby areas. Founded in 1901 and reorganized in 1920, the GYA has grown from the original six clubs to over thirty member organizations. The GYA sanctions various yachting events, including interclub competition in one design and handicap rated yachts, and serves to coordinate the activities of its members.

The GYA is a member of the United States Sailing Association (US Sailing), the governing body of the sport in this country, and is recognized as a member “regional sailing association” (RSA) of that organization. As a member RSA, the GYA provides representation to US Sailing for its sailors, encourages participation in national championships sanctioned by US Sailing, and provides an Appeals Committee to decide appeals involving the racing rules.

The GYA is one of four yacht-racing associations forming “Area D”, one of eleven areas in the United States. Areas are geographical delineations within the jurisdiction of US Sailing that serve many functions in the administration of the sport.

Documents governing the activities of the GYA are the Articles of Incorporation, the Bylaws, any special rules of order adopted by the Board of Directors, the current edition of *Robert's Rules of Order, Newly Revised*, and various rules and regulations governing yacht-racing competition.

Membership in the association is provided for in two classifications for yacht clubs and other organizations that promote yachting: General Membership, which carries full participation in GYA affairs and Affiliate Membership, which provides for participation on a reduced basis. There is also an Associate Membership for individuals and a Sponsoring Membership for corporations or other entities wishing to support the work of the GYA, neither of which carries voting rights within the GYA.

The GYA is structured with a Board of Directors as the senior body, with full authority to govern the organization, an Executive Committee to run the organization between meetings of the Board, three councils that promote specific types of yacht racing, and various committees to accomplish the work of the organization.

Gulf Yachting Association Archives

A GYA Historical Records Collection was established in 1993 in the University Archives and West Florida history Center of the John C. Pace Library at the University of West Florida in Pensacola (phone 850-474-2000).

Currently the collection contains the Minutes of GYA Board Meetings from November 1920 through the Winter Meeting, January 7, 1996, and Winter Meeting, January, 2001 through Winter Meeting, August 30, 2014. The collection also contains the originals of Lipton Regatta results from 1920 to the present.

JACK AND FLO SCHEIB SERVICE AWARD

This perpetual award was established December 6, 1992, by the Gulf Yachting Association's Board of Directors to recognize and honor individuals who, over the years, have made "significant and outstanding contributions in service to the sport of sailing".

The award is named for and dedicated to J. Gilbert and Flora K. Scheib, and its presentation annually at the GYA Winter Meeting is a continuing reminder that it originated as a tribute to Jack and Flo Scheib, each of whom served the Gulf Yachting Association ably, loyally, and diligently for many decades.

The selection of the recipient is made by a committee composed of the current Commodore of the GYA and the two immediate Past Commodores.

GYA Commodore George Goodall, left, presented the Jack and Flo Scheib Service Award to Past GYA Commodore Thomas "Tom" Batty at the 2016 GYA Winter Meeting held in January at the Fairhope Yacht Club.

It is the policy of the Gulf Yachting Association to publish in its directory the name, mailing address, at least one phone number and, if available, an e-mail address for each committee chair and members of the various GYA committees. This publication is strictly for communication purposes only. The GYA publishes for each yacht club, a listing of its officers and principal committee chairs with the same information and the same purpose as set forth above. The same information is published for each associate member.

In the absence of specific directions hereinafter set forth, the information as set for the above shall be published each year by the Gulf Yachting Association in its directory.

A committee chair, committee member, yacht club or associate member of the Gulf yachting Association may limit the publication of information concerning such member by making a written request to the GYA Directory Editor, whose name is published in the annual directory, no later than November 1 of each year. In no event shall a person's name be completely deleted, the name and at least one form of communication must be published. GYA RECOMMENDATIONS

GYA Coordinator – Suggested Job Description

General

Each GYA General Member club must appoint a club member to the position of GYA Coordinator. This position serves as the all-important communications link between the Gulf Yachting Association and the member club. It is the holder's responsibility to disseminate information to those within the club who have "a need to know."

Qualifications

The person selected for this position may hold other club offices, but this is not a prerequisite or requirement. This person should have an active interest in the promotion of yachting in the Gulf Coast area and have (or be willing to acquire) a thorough working knowledge of the inner workings of the club as well as the Gulf Yachting Association. He/she should have good communication skills and be willing to attend meetings as necessary. This person should be willing to serve for several years to ensure continuity.

Duties

The GYA Coordinator is the official communications link between the GYA (and GYA Foundation) and the club. He/she is responsible for proper distribution of official GYA communications with his/her club.

For GYA-sanctioned regattas the GYA Coordinator will receive copies of the Notice of Race. He/she is responsible for making additional copies as necessary and distributing them to the appropriate parties within the club (i.e., the Race Chairman, Regatta Chairman, Team Coordinator, etc.). The only other notice to the club will be sent to the club office to be posted on the club bulletin board. The GYA Coordinator should make certain that the notice is properly posted.

The GYA Coordinator is also the designated recipient of all notices from the GYA Foundation and is responsible for seeing that these notices are copied, distributed, and/or posted, as appropriate.

The GYA Coordinator should attend all board meetings of the Gulf Yachting Association and serve as an advisor to the club Commodore in this capacity.

Notes

It is recommended that the person accepting this position be prepared to serve for a minimum of 2–3 years in order to promote continuity in the club's relationship with the Gulf Yachting Association. It is further recommended that an assistant be named who will succeed the incumbent.

It is of great importance that the proper address for notices be given to the GYA Secretary in time for inclusion in the GYA Directory since all notices will be sent to the address in the GYA Directory. It is recommended that this address be either a home or a business address rather than the club address to ensure timely receipt and distribution.

This *suggested* job description is only a guide. It is intended to stress the significance of the GYA Coordinator as the contact point between the GYA and GYA Foundation and the member clubs. It was prepared by the GYA to assist you in your selection of a GYA Coordinator.

**Guidelines for Donating Perpetual Trophies
To the
Gulf Yachting Association**

Considerations prior to donating a trophy
Suggested procedure for donating a trophy
Writing a Deed of Gift

**CONSIDERATIONS PRIOR TO DONATING A
PERPETUAL TROPHY TO THE GULF YACHTING ASSOCIATION**

A donated perpetual trophy can be a kind and thoughtful gift. It can also prove to be a burden to the recipient and an embarrassment to both parties. Thus, the reason for this article.

Here are some questions and answers a prospective donor should consider prior to donating a perpetual trophy to the Gulf Yachting Association:

- I. Is there a need?** *Certainly, this is the first consideration and one that is sometimes innocently avoided. Simply consult with the Trophy Committee, Chairman who will be pleased to discuss the matter with you. The Chair has all up-to-date info at hand.*

- II. Does the gift have to be approved?** *Yes, all new perpetual trophies must be approved by the Board of Directors. The following pages list the procedures.*

- III. What is the best type of trophy to present?** *As the trophy will be permanent, it is expected that the quality of the award will meet high standards. Equally important, the award should normally be sturdy, without fragile and delicate appendages as almost all of these awards travel annually from one event location to another and must withstand the rigors of rough handling!*

- IV. What must be included with the trophy?** *The trophy must be appropriately identified with engraving or be otherwise marked, and should have provision for entering names of winners for several years to come, including an adequate base if needed for this purpose.*

- V. Must keeper trophies be provided?** *Typically, keeper trophies are presented along with each perpetual trophy. Donors are encouraged to provide appropriate keeper awards, but there is no obligation to do so.*

SUGGESTED PROCEDURE FOR DONATION OF A PERPETUAL TROPHY TO THE GULF YACHTING ASSOCIATION

- I. Discuss the proposed donation with the Trophy Committee Chairman, informing him of your desire to donate a perpetual trophy.*
- II. The Trophy Committee Chairman will then inform the following:*
 - a. the Trophy Committee member's*
 - b. the Executive Committee*
 - c. other committees and councils as appropriate.*
- III. Prepare a draft of your Deed of Gift and forward it to the Trophy Committee Chairman, who will in turn forward it to all of the above for comments or suggestions.*

Note: See following pages for preparing a Deed of Gift. The Deed is a very important part of this procedure in that it spells out, to present and future individuals, the reasons for and the terms of the gift.

- IV. Prepare final Deed of Gift after mutual agreement on the terms with the Trophy Committee and the Executive Committee. Have the Deed signed and dated by the donor. The deed of gift shall then be submitted to the Board of Directors for approval, and after approval, signed and dated by the Commodore. One copy shall be attached to the minutes, and a copy shall be provided to the donor.*

WRITING A DEED OF GIFT

A Deed of Gift is a formal and legal document that transfers property ownership from one individual or organization to another.

Executing a Deed of Gift is always in the best interest of all concerned parties, both present and future, as the Deed should clearly state the donor's reason for giving the gift, how the gift is to be used, and all pertinent details that may be applicable to the transfer of ownership. In addition, it outlines the recipient's wishes and verifies that both parties are in full agreement.

Failure to execute a Deed of Gift can often bring on future problems regarding the transfer of the trophy and its true intent.

Bearing the above in mind, we offer the following outline for preparing a Deed of Gift:

DEED OF GIFT

I - Opening Statement

The (name of donor or organization) gives to the Gulf Yachting Association a perpetual trophy described as (describe trophy) to be so named (give formal name of trophy). This trophy is to be presented to the competitor in (name of Event) that (describe achievement)

Example: "Mr. John Doe gives to the Gulf Yachting Association a perpetual trophy described as a sterling silver bowl, 10" in diameter, with a mahogany base 14" square, to be so named "The Jane Adams Sportsmanship Award". This trophy will be presented to the competitor at The Women's' Knost Championship who demonstrates the highest level of Sportsmanship (to be interpreted as fairness, courtesy and grace in victory or defeat throughout the event)"

II - Purpose

a. If there is a particular reason for this gift, give an explanation.

b. If the trophy name memorializes an individual, give a short resume of his or her achievements.

Example: "Over the years we have seen the emphasis on winning increase dramatically - all too frequently at the expense of good sportsmanship. This award, in perhaps a small way, will stop that movement. We are dedicating this trophy to Jane Adams, one of sailing's premier experts on the Rules of Sailing and fair play. Jane, who passed away in 1992, is responsible for many of our current rules and procedures, and should be remembered for her lifetime of volunteer effort on behalf of our sport."

IV Rededication *Add that 'In the event of insufficient interest or of other reasons, the trophy may be rededicated, subject to the approval of the Board of Directors.'*

V- Care of Trophy *The Gulf Yachting Association has a program in effect for the care and maintenance of trophies.*

VI - Signing *Final Deed should be dated and signed by the donor and by the commodore of the Gulf Yachting Association, signifying acceptance.*

The Gulf Yachting Association sincerely appreciates the generosity displayed by the donation of a perpetual trophy which, along with its other perpetual trophies, serves to promote the sport of yacht racing in our area.

All new banners for Core events will be approximately 41" wide by 31" high. The banner color shall as much as possible be distinctive for that event. These banners will be similar in design to the approved banner for the Junior Lipton Championship.

Non-Core: For events that are designated GYA Championship Events which are approved and/or sanctioned by the GYA. All banners for Non-Core events shall be approximately 15" wide by 60" long. These banners should use the GYA logo rather than spelling out the name and should designate the event or class championship with either a logo or name and in most cases should include the word "championship" or "champion".

The final design of the banner should be submitted through the Trophy Committee for its recommendation and must be presented to the board with specifications as to size, font, color (PMS) and content before being approved.
