

To order bow numbers for your Viper, you will need to go through the Viper web site. <https://v6ca.wildapricot.org/event-3987541>

**BOW NUMBER MUST MATCH HULL NUMBER** – not GYA sail number!!

There are 4 options:

- 1) Order a set of black bow numbers (do this if you have a light color hull)
- 2) Order a set of white bow numbers (if you have a dark hull)
- 3) Order black bow numbers and state ID – light hull (if your state requires your viper to be registered)
- 4) Order white bow numbers and state ID - dark hull

Decide which option is right for you, scroll to the bottom of the page, and click Register. (You aren't actually registering for an event; you'll be taken to the pages for ordering bow numbers.)

Also, when ordering was set up through the Viper site, it was geared toward one-boat owners. There are several clubs and/or individuals who have more than 1 boat so, unfortunately, you'll need to separately go through the ordering process and submit payment for each boat.
