# Greetings

CAL WEISS, President  
Gulf Yachting Association;  
Member of Mobile Yacht Club

To the hundreds of yachtsmen, their families and friends who are our guests for the Thirty-Second Annual Lipton Cup Regatta which determines the Fish Class Championship of the Gulf Yachting Association, the Flag Officers and Member Clubs of the Gulf Yachting Association extend not only an official but a most cordial welcome.

The Gulf Yachting Association has made great strides in the sport of yachting during the past thirty-two years, which has resulted in the virtual expansion of our organization to make it possible for additional yacht clubs and its members to become a part of our happy family, but the spirit of the G. Y. A., its historic background, its intention and purposes, and the hospitality which sets it apart from many other yachting associations must be maintained and safeguarded at all times.

Our Annual G. Y. A. Lipton Cup Regatta held during the Labor Day Holidays has grown each year to great nautical heights and today it is recognized as a gala occasion in the South's Roster of Yachting Events. The social activity planned each year in conjunction with the nautical events does much to dramatize the position of the Gulf Yachting Association and the entire Gulf area as a great yachting center.

As the Twenty-Second President of the Gulf Yachting Association I believe that as we play together, as well as sail together, we can cement closer that bond of friendship which is most precious, and which has caused all of us to become one big happy nautical family. Therefore, we of the Gulf Yachting Association, are most happy to have the yachtsmen, their families and friends, participate in the event of this Annual G. Y. A. Lipton Cup Regatta.

It is our sincere hope that your visit with us will be a most enjoyable one in every way and that it will leave with you a pleasant memory.

Sincerely yours,

CAL WEISS,

Twenty-Second President,  
Gulf Yachting Association.
