GREETINGS

The 1958 Lipton Cup Races are the climax of the sport of sailboat racing in the Gulf Yachting Association, and as the 29th president of the G.Y.A., I am proud of the privilege to welcome, in behalf of our organization, the sailors, skippers, crews, their families and friends, in joining us and the host club in making this another successful regatta in honor of the memory of Sir Thomas Lipton and the many sailors of the G.Y.A. who have contributed to the world-wide reputation which they have required for maintaining such high standards of conduct in pursuit of our love for the sport of sailing, without thought of personal gain, but in order to bring out the finest qualities of sportsmanship and gentlemen.

Let us, therefore, proceed, and may the best team be victorious.
