GREETINGS

The 41st Annual Lipton Cup Races in 1960 afford me, as 31st President of the Gulf Yachting Association, the opportunity and privilege to extend officially, sincere greetings to all who appreciate and participate in our great sport of Sailboat Racing.

Our esteemed host, the Southern Yacht Club, one of the first yachting associations established on this continent and in this hemisphere, has arranged a splendid regatta.

In behalf of the Gulf Yachting Association, our Board of Directors, my fellow Flag Officers, and our cordial host, I am proud to welcome all of you to join us in making this another successful regatta in honor of Sir Thomas Lipton, and of the many yachtsmen of Gulf Yachting Association who contribute, by present performance or in memory, to the success of our sport of Sailing. In this sport especially, do the words gentleman, sportsman, and yachtsman become synonymous.

Welcome Aboard, and Best Wishes to each team for Good Weather and Good Sailing.

GREETINGS

It was in 1919, when the Southern Yacht Club observed its 70th anniversary, that Sir Thomas Lipton presented it with the very beautiful challenge trophy for which the Fish Class Skippers of the member clubs of the Gulf Yachting Association annually compete.

In 1949, when the Southern Yacht Club celebrated its Centennial Year, we last enjoyed the privilege of hosting this important sailing event.

In these many years, we have won a great number of wonderful friends from the adjoining Gulf waters. This year, we welcome these old friends back to New Orleans, to Southern, and to Lake Pontchartrain shores. We welcome them and we extend a warm greeting to those new friends who, by the conclusion of this Regatta, shall be classified by us as old friends.

Commodore, Southern Yacht Club
