*The Race Committee requests everyone's help to insure that the skippers and crews enjoy the most favorable sailing conditions possible.*

*Spectator boats must not approach a racing yacht any closer than the official patrol craft whose operator is highly experienced in regatta control.*

*Normally a 200 yard interval from the racing marks and Flying Scots will be adequate. Please bear in mind that the smallest wake or wind shadow could result in an unfair disadvantage to a competitor.*

*Your assistance will be appreciated.*

*Thank you  
The Race Committee*
