TO: ALL LIPTON CUP COMPETITORS, OFFICIALS AND GUESTS

On behalf of the Flag Officers, Board of Governors and members of Bay-Waveland Yacht Club, it is my distinct honor and privilege to welcome you to the 64th Sir Thomas Lipton Challenge Cup Regatta at Bay-Waveland Yacht Club to determine the Championship of the Gulf Yachting Association.

In the words of Commodore Jerry Ielo, if I may, we are button-popping proud of our Lipton Cup Sailing Team of 1982, consisting of Bobby Egan, Corkey Hadden, Randy Santa Cruz, Dennis Stieffel and their crews for winning this prestigious sailing event in 1982 and earning us the right and privilege of hosting the 1983 Sir Thomas Lipton Challenge Cup Regatta at Bay-Waveland Yacht Club. We are indeed pleased about this fine sailing accomplishment and we look forward to being your host for an outstanding Championship Regatta this Labor Day Weekend.

The primary objectives that we have established for this 1983 Lipton Cup Regatta are to try to make this important sailing event highly competitive, fair and socially enjoyable. This is only fitting and reasonable considering the time, expense and effort associated with your being here. Our staff people and our Regatta Committees are ready to serve and provide assistance to you in every way possible. Our club facilities will be open throughout the Regatta for your convenience. We hope you will use them and let us know if there is anything that we can do either ashore or afloat to make your stay in Bay Saint Louis more pleasant.

A special warm welcome is extended to Commodore Robert E. Boyle, the Flag Officers and the other dignitaries of the Gulf Yachting Association.

The competition, we know, will be keen and alert this weekend and we offer best wishes and good sailing to each of you.

Yours very truly,
Edgar W. Santa Cruz, Jr.

The Race Committee requests everyone's help to insure that the skippers and crews enjoy the most favorable sailing conditions possible.

The spectator deck of the B.W.Y.C. is ideal for viewing the competition due to the proximity of the race course to the club.

Spectator boats must not approach a racing yacht any closer than the official patrol craft identified by its yellow flag. Its operator is

highly experienced in regatta control.

Normally a 200 yard interval from the racing marks and Flying Scots will be adequate. Please bear in mind that the smallest wake or wind shadow could result in an unfair disadvantage to a competitor.

Your assistance will be appreciated.

Thank You
The Race Committee
