ORGANIZED 1907 REORGANIZED 1930

Greetings:

"It is a singular honor on behalf of the Officers and Directors of the Gulf Yachting Association to welcome all of you to the 55th Annual sailing for the Sir Thomas Lipton Challenge Cup, emblematic of yachting supremacy in the Gulf of Mexico.

"We congratulate the skippers and their crews, who this summer by their dedication have realized the goal of reaching this prestigious event.

Also, we congratulate their families and guests who have been so supportive of their sailors, as well as the hard-working Flying Scot and Race Committee Chairmen who "back home" have made it all happen.

In particular, we recognize the host club, Pensacola, for this 55th Lipton Event. Your efforts have earned the admiration of all in the GYA.

In closing, I will take this opportunity to thank all of the GYA Officers and Committees for their help and support throughout my term in office. It is appreciated!

Good luck. Fair sailing!

Sincerely,  
*Jerry J. Ellis*

Sincerely,

Gerard P. Tetu

*The Race Committee requests everyone's help to insure that the skippers and crews enjoy the most favorable sailing conditions possible.*

*Spectator boats must not approach a racing yacht any closer than the official patrol craft whose operator is highly experienced in regatta control.*

*Normally a 200 yard interval from the racing marks and Flying Scots will be adequate. Please bear in mind that the smallest wake or wind shadow could result in an unfair disadvantage to a competitor.*

*Your assistance will be appreciated.*

*Thank you  
The Race Committee*
