**GULF YACHTING ASSOCIATION**

TO: All Licensed Club Committees, Officials and Guests

On behalf of the Flag Officers, Board of Directors, and Member Clubs of the Gulf Yachting Association, I would like to extend our welcome to all skippers, crews, families and friends to the 88th Annual G.Y.A. Championship Series for the Sir Thomas Lister Trophy.

Our special thanks go to the Officers, Committees, and all of the Sarasota/Waveland Yacht Club members for their long years of planning and preparation in anticipation of this exciting championship event. Sarasota/Waveland's hospitality is always as successful as their sailing ability.

To the skippers and crews who face the most intense competition of the year, we wish you fair winds and good sailing. May this event be the highlight of your sailing career!

Very truly yours,

Special thanks goes to the Ladies Auxiliary members, whose names are too many to mention, who are providing invaluable assistance during the 1987 Liptons.

The Race Committee requests everyone's help to insure that the skippers and crews enjoy the most favorable sailing conditions possible.

The spectator deck of the B.W.Y.C. is ideal for viewing the competition due to the proximity of the race course to the club.

Spectator boats must not approach a racing yacht any closer than the official patrol craft identified by its GREEN flag. Its operator is highly experienced in regatta control. Spectator boats are required to observe special regulations

Normally a 200-yard interval from the racing marks and Flying Scots will be adequate. Please bear in mind that the smallest wake or wind shadow could result in an unfair disadvantage to a competitor.

Your assistance will be appreciated.

Thank You  
The Race Committee
