To: GYA Competitors, Sailors, GYA Club Commodores,
GYA Past Commodores, Committee Members,
Pass Christian Yacht Club Members and Guests:

On behalf of the GYA, its Executive Committee and Members, we sincerely thank the Pass Christian Yacht Club for hosting the 2014 Lipton Regatta on the Mississippi Gulf Coast. With new harbors, both to the East and West of Pass Christian Yacht Club, and the continued revitalization of the cultural centers of the local cities along the Gulf Coast, areas continue to recover and move forward. Sailing too is being strengthened through the great traditions in which you are all participating. The uniqueness of this inter-club competition is recognized by others and is something which we all cherish and can share proudly. From the Fish Class boats to Flying Scots and to whatever new boats are utilized for future competition, rest assured that sailors from the GYA will rank amongst the highest in competitive spirit, ability and Corinthianism.

May you all have fair winds and great competition during this weekend of great camaraderie and FUN!

Sincerely,

"Corky"

A Tribute to Sir Thomas Lipton

Born in Glasgow in 1850, Sir Thomas Lipton was best known for the tea that bears his name and for his indomitable spirit in attempting to win the "America's Cup" in his famous *Shamrocks*. Some of the things you may not know about the man perhaps deserve being mentioned since this regatta bears his name.

As a boy, he was a cabin boy in the merchant fleet, worked in a New England grocery store, drove a mule-drawn streetcar in New Orleans, traveled for a portrait firm, labored on tobacco plantations in South Carolina and Virginia and, while still in his teens, returned to Scotland to open his own grocery store.

He was an innovator in publicity stunts for advertising, once having a parade of pigs dressed in kilts to advertise his Scottish bacon and occasionally hiding sovereigns in his cheese and tea bags to spur sales. This flair for merchandising led him to be a millionaire by the age of twenty-one.

Yachts were his passion and he built and owned several; the most famous, of course, were the five *Shamrocks* he built to challenge for the America's Cup. They made unsuccessful attempts in 1899, 1902, 1903, 1920 and 1930, with *Shamrock IV* coming the closest to winning when it competed with Cornelius Vanderbilt's *Resolute* in 1920.

Though Sir Thomas never emerged victorious in the America's Cup Challenge, he gained the admiration and respect on both sides of the Atlantic for the sportsmanship he demonstrated in his losing efforts. This was best demonstrated by the fact that following the 1930 event, a Lipton Loving Cup Fund was established and in 1930 Will Rogers presented an 18 carat gold cup to Sir Thomas on behalf of the American people for his good sportsmanship...the same year the Royal Yacht Club of England conferred membership on Lipton in recognition of what he had done for yachting in his various America's Cup challenges.
