*Welcome to Bay-Waveland Yacht Club and the 101<sup>st</sup> Sir Thomas Lipton Challenge Cup. As your host Commodore, it pleases to me invite you as a guest for this weekend's event. Please take advantage of our front porch or pool to enjoy a great view of the sailing competition, visit with friends and have a cool drink in our summer breeze.*

*This year's Challenge introduces a fifth race where the skipper/crew limitation has been waived. It allows the best sailors of each club to race against each other. The first four races will follow standard, traditional rules. The fifth race could be the "super bowl" of races as I heard some people call it.*

*As the current Commodore, I'm excited to have the privilege of BWYC hosting five championships this year: GYA 420, Gulf Coast Sport Boat, Sir Lipton Thomas Challenge, US Sunfish Masters and finally the US Sailing Adult Championship for the Mallory Trophy. Each of these championships was spear-headed by a different member of our club. The best sailing surprise was our juniors winning the 77<sup>th</sup> Junior Lipton Challenge Cup with three first place finishes.*

*During the weekend, make yourself at home. If you need assistance, please don't hesitate to ask our manager Ernie La Rocca or a member of his staff and, of course, you can always find a member of the Executive Committee: Vice Commodore Tommy Heausler, Rear Commodore Marc Eagan, Secretary Kathi Troendle, Treasurer Commodore Zak Fanberg and myself. I can't forget to mention Regatta Chair Commodore Basil Kennedy who has all the details for the weekend.*

*We are very happy to be hosting the 101<sup>st</sup> Sir Thomas Lipton Challenge Cup and hope you have a great weekend. Good luck to all competitors and sail fast.*

*Clinton Edwards*

Commodore Gary J. Rogers  
Jackson Yacht Club

“Never despair, keep pushing on!” – Sir Thomas Lipton

Sir Thomas was known for his dogged determination to win. And despite never succeeding in winning the America’s Cup, he was recognized as a true sportsman through all of his efforts. As we gather to sail Regatta Number 1 of our second hundred Sir Thomas Lipton Challenge Cup Regattas, the second half of Sir Thomas’ quote inspires me to look back at the tremendous success our association has enjoyed in our first one hundred years and then get excited for the next hundred. Together, let’s “keep pushing on!” toward even greater success in our future.

On that note, and on behalf of your GYA Executive Committee: Welcome to the 101st sailing of the Sir Thomas Lipton Challenge Cup Regatta! Welcome to the competitors who strive to sail to victory and bring the glory home to their yacht club! Welcome to the GYA Board of Directors and Committee Chairmen who toil to keep our association’s sails full and our bow pointed toward a bright future! Welcome to the support crew and spectators who assist and inspire our competitors to leave only their best efforts on the water! Welcome everyone!

Also on behalf of your Executive Committee: Thank you! Thank you to Bay-Waveland Yacht Club for being our host once again for the 18th time! Thank you to Commodore Clinton Edwards, the BWYC Board of Directors and Members for opening your beautiful club to all of us. Thank you to Regatta Chairman, Commodore Basil Kennedy, to your committee members and your excellent Race Management team. And, most of all, thank you to the BWYC management and staff for the hard work you have done and will do to make this event a joy to all of us here.

I am sometimes asked what it’s like to be Commodore of the GYA. My answer is that it’s like having Saints season tickets with a front row seat. It’s a joy to be so close to all the action! Thank you for the confidence you have placed in me to be your Commodore for 2022. I am looking forward to some great sailing and lots of fun hanging around y’all this weekend.

Sail safe, sail fast and have a blast!

## SPECTATOR FLEET GUIDELINES

Due to the speed of the Viper, you will have trouble keeping up with your team's boat without causing a wake that may affect other racing boats. Please try as much as possible to operate without a significant wake when in the Spectator Fleet Area. Also, until the last boat finishes, please don't "power up" until you are well clear of the Spectator Fleet Area.

# America's Rating Rule

**"PHRF is wonderful for beer-can racing, but it should never be used for serious competition." – Stan Honey**

The US-based Offshore Racing Association (ORA) owns and administers several rating rules: **ORR**, **ORR-Ez** and **ORA-1**. All of these utilize the same Velocity Prediction Program (VPP) to objectively produce accurate multi-number ratings for a wide assortment of wind speeds and race courses.

## Handicapping News

- GYA-PHRF is in the process of replacing its legacy single-number ratings with new ORA-1 multi-number ratings.
- GULF COAST ORR-Ez is proud to offer Performance Curve Scoring. PCS is the most advanced scoring method available today and is now being used right here on the Third Coast!

**There will be a presentation of the ORR-Ez and ORA-1 rating systems on Saturday morning during the GYA Offshore Council meeting. Anyone interested is welcome to attend.**

**BWYC Main Dining Room at about 0915, Sat Sept 3rd**  
*The exact time will be determined by the Offshore Council.*

in Old Town Bay St. Louis  
100 Jody Compretta Drive  
Bay St. Louis, MS 39520

**From the time you board the Betsy Ann Riverboat** until the time you step off the boat, we promise you an experience that creates memories to last a lifetime. *Come aboard ... close your eyes ... listen to the paddle slapping the water in perfect time ... and let your mind wander!* There is no better way to enjoy the beautiful waters and scenery of historic coastal waters than on a true old-fashioned paddle wheel boat.

Come learn the history of the Betsy Ann, Mississippi Gulf Coast, Hancock County, and more. Come enjoy the peacefulness of just being out on the water. Be on the lookout for dolphin, pelican, osprey, even an occasional alligator. You can even come up in the pilot house with the captain, steer the boat, and get your picture taken with the huge wheel.

## Lipton's Broadcasting

Mac Hadden and Bubby Eagan will be broadcasting from the water on VHF Channel 71 with their unique style of covering races.

Beau Gex will be an onshore moderator.

If all goes well it will be broadcast in the lounge and on the front porch along with perhaps under the club.

We promise you will enjoy their commentary.

You can also listen to the race committee on channel 72.

## A Tribute to Sir Thomas Lipton

Born in Glasgow in 1850, Sir Thomas Lipton was best known for the tea that bears his name and for his indomitable spirit in attempting to win the "America's Cup" in his famous *Shamrocks*. Some of the things you may not know about the man perhaps deserve being mentioned since this regatta bears his name.

As a boy, he was a cabin boy in the merchant fleet, worked in a New England grocery store, drove a mule-drawn streetcar in New Orleans, traveled for a portrait firm, labored on tobacco plantations in South Carolina and Virginia and, while still in his teens, returned to Scotland to open his own grocery store.

He was an innovator in publicity stunts for advertising, once having a parade of pigs dressed in kilts to advertise his Scottish bacon and occasionally hiding sovereigns in his cheese and tea bags to spur sales. This flair for merchandising led him to be a millionaire by the age of twenty-one.

Yachts were his passion and he built and owned several; the most famous, of course, were the five *Shamrocks* he built to challenge for the America's Cup. They made unsuccessful attempts in 1899, 1902, 1903, 1920 and 1930, with *Shamrock IV* coming the closest to winning when it competed with Cornelius Vanderbilt's *Resolute* in 1920.

Though Sir Thomas never emerged victorious in the America's Cup Challenge, he gained the admiration and respect on both sides of the Atlantic for the sportsmanship he demonstrated in his losing efforts. This was best demonstrated by the fact that following the 1930 event, a Lipton Loving Cup Fund was established and in 1930 Will Rogers presented an 18 carat gold cup to Sir Thomas on behalf of the American people for his good sportsmanship...the same year the Royal Yacht Club of England conferred membership on Lipton in recognition of what he had done for yachting in his various America's Cup challenges.

Those of us who have been participants or spectators in the Labor Day weekend Lipton Regatta over the years, are likewise, indebted to Sir Thomas for having made yachting more meaningful to the yacht clubs of the Gulf Yachting Association thru his presentation of the Lipton challenge Trophy. And may we suggest, that sometime before the regatta ends, each of you "hoist one" in memory of Sir Thomas, the man whose trophy we sail for this weekend.
