Gulfport, Miss. to Pensacola, Fla.

NOTICE OF RACE

Southern Yacht Club, Pensacola Yacht Club and Gulfport Yacht Club invite eligible offshore yachts to enter the 2022 Gulfport to Pensacola Race. This race is the second leg of the Sawgrass Offshore Series for the Barnett Trophy.

The Deeds of Gift of the following perpetual trophies are supported by this event: Governor of Mississippi Trophy; Dr. Logan Emlet Trophy; Governor Kennon Bowl; Art Mahoney Trophy; Pollack Trophy; Schreck Trophy; Tootie & Joel Barnett Trophy; Mystere Trophy in Memory of Philip C. Spangenberg; Patrick Kent Trophy.

The Organizing Authority (OA) is Southern Yacht Club (SYC) of New Orleans, La. The event is sanctioned by the Gulf Yachting Association (GYA) and the host clubs are Gulfport Yacht Club (GYC) and Pensacola Yacht Club (PYC). Regatta Management Systems (RMS) is the host for online registration. The OA reserves the right to accept or reject the entry of any yacht and will have the authority to interpret the conditions governing the event and shall assign yachts to classes.

1 RULES

1.1 The regatta will be governed by the rules as defined in *The Racing Rules of Sailing* (RRS).

1.2 RRS 52 and 62.1(a) are altered herein.

1.3 TWO-LENGTHS CUSHION AFTER DARK – When yachts meet between sunset and sunrise, for added safety, they shall act with the expectation that if they come within two (2) of the longer boat's lengths of each other, the protest committee will presume that a right-of-way boat will need to take avoiding action and the other boat is, therefore, not keeping clear. This does not apply to yachts finishing.

1.4 POWERED WINCHES and AUTOPILOTS are allowed in the Cruising and PHRF Divisions only. This alters RRS 52.

1.5 Yachts shall set only one (1) headsail at a time and only one (1) staysail per mast, which shall not extend beyond the rated LP distance.

1.6 NON-SPINNAKER classes shall set only headsails and staysails ahead of each mast and only in their designed and rated configurations. Whisker poles are permitted.

1.7 As provided by RRS 47, there will be no penalty for discarding biodegradable, environment-friendly bands when setting a sail.

2 YACHT ELIGIBILITY

2.1 The regatta is open to auxiliary offshore yachts with a valid rating certificate as follows:

- ORR-Ez – Open and Cruising Divisions
- GYA-PHRF – Multihull and PHRF Divisions

Portsmouth multihulls (beach cats, etc.) are not eligible and trapezes are prohibited.

2.2 Each yacht shall have an auxiliary propulsion system with sufficient stored power to motor for at least four (4) hours at a minimum speed in knots equal to the square root of her load waterline length (LWL) in feet.

2.3 Yachts entering the CRUISING DIVISION must have an inboard engine with an exposed propeller, a Downwind SA/D ratio (with spinnaker) less than 50.0, a Crew Weight to Empty Displacement ratio less than 30.0%, and at least one of the following:

- Fixed (non-folding, non-feathering) propeller.
- Mast-furling mainsail.
- Above-deck, roller-furling headsail system permanently installed on the forestay.
- Full keel; keel-hung rudder.
- Headsails that attach to the forestay with luff hanks, spaced not more than 48 inches.

Non-conforming yachts may petition for entry in the Cruising Division.

Note: This spec closely aligns with the GYA-PHRF Cruiser Furling (CF) designation used previously.

2.4 PHRF DIVISION entrants are not eligible for challenge and perpetual trophies.

2.5 The OA may modify or reject a yacht's entry if it is deemed to be inconsistent with the intent of the eligibility requirements.

3 SAFETY REQUIREMENTS

3.1 The equipment listed in Appendix A—MANDATORY SAFETY EQUIPMENT is required for all yachts. Additionally, the OA strongly recommends compliance with [US Sailing Safety Equipment Requirements](#) (US SER) for a Coastal race.

3.2 All yachts will be subject to random inspection for compliance with Appendix A and their rating certificates. Yachts found not in compliance will be subject to protest by the Race Committee which may result in disqualification or other penalties. These inspections are made for rules enforcement purposes only; the RC will not assess nor warrant the safety or seaworthiness of yachts or crews.

3.3 Prior to the start, each yacht shall hold a man overboard (MOB) briefing or drill involving the full crew.

3.4 At each yacht's Prestart Check-in, every soul aboard shall be visible on deck wearing a Personal Flotation Device (PFD) and a handheld VHF shall be displayed.

4 TRACKING

4.1 Each yacht shall provide and carry a GPS tracking device in accordance with the appendix RACE TRACKING SPECIFICATION.

4.2 The tracking device shall be operational from the time a yacht casts off before the start and until she next docks after finishing or withdrawing from the race.

5 CREW ELIGIBILITY & RESPONSIBILITIES

5.1 The term "Skipper" as used herein means the person, whether or not the owner of the yacht, who is so designated on the entry form and who is the Person in Charge of the yacht during the race. The Skipper is responsible for the yacht, its handling and safety, the conduct of the crew before, during and after the race, and compliance with the Notice of Race and the Sailing Instructions.

5.2 The Skipper shall make all race documents available to each crew member for review.

5.3 The safety of a boat and her crew is the sole and inescapable responsibility of the Owner, who shall do his best to ensure that the boat is fully sound, thoroughly seaworthy and manned by an experienced crew who are physically fit and sufficient in number to sail the boat in adverse conditions. The owner must ensure that all safety equipment is properly maintained and stowed and that the crew knows where it is kept and how it is used.

5.4 Single-handed entries will not be accepted.

6 NOTICES TO COMPETITORS

Amendments and notices will be posted on the official notice boards at SYC, GYC and online at RMS. Electronic notifications (email and/or SMS) will be sent to competitors registered via RMS.

The SAILING INSTRUCTIONS will be available online prior to the event.
