## Foreword

At the request of the Gulf Yachting Association, Inc. Chris Luppens has compiled this electronic edition of the ***“Perpetual Trophies of the Gulf Yachting Association”***. This edition has been in production for over 10 years and was inspired by the written edition that was published in 2000 after extensive research and compilation. Others helping with this electronic version were Jan O’Neal, Janet Miller Schmidt, and Basil Kennedy.

This edition contains all of the information from the original book, information about new trophies that have been obtained by the association, and contains revisions up to the date indicated.

By producing the book in electronic format, it is capable of being updated from time to time as changes are made without significant expense to the reader or the publisher.

The book is truly a “work in progress” which will require regular attention to keep the winners updated and trophy changes documented. Readers are invited to bring any errors in the publication or suggestions for better presentation to our attention by emailing the person noted on the GYA Website or contacting the chairman of the GYA Trophy Committee. The book may be printed in whole or part by members of the Gulf Yachting Association to whom approval has been granted by the Association Executive Committee.

Many pictures will be replaced or supplemented to better depict the dimensions and trophy design in future editions.

Please be sure to read the Introduction and Preface which follow. These were in the original publication and explain in greater detail the purpose of the book

We want to also direct your attention to a summary document of the trophies of the Gulf Yachting Association available on the GYA website or from the Trophy Committee Chairman. It is our sincere wish that you use both of these resources to better understand the trophies owned by the GYA and appreciate their value to the sport of sailing.

# Preface

## (From Original Book)

In 1992, GYA Commodore Basil Kennedy and others recognized that the Gulf Yachting Association and its member clubs owned or had custodial responsibility over a number of valuable perpetual trophies, but virtually no accountability procedure to insure their protection. Therefore, he urged the Board of Directors to create a Trophy Committee and appointed Past GYA Commodore Henry G. Chapman to chair that committee. It has been said that committees are oftentimes created with little cause or direction, but the work of the Trophy Committee over the last eight years has been a success story without equal.

The committee found what many suspected: trophies were in disrepair; many were not current in their engraving; some, literally, were lost; and, many rarely showed up at the venue at which they were to be awarded. In short, there was virtually no accountability program, which is a prerequisite for any more sophisticated system of documentation and preservation. The Trophy Committee implemented such an accountability program in 1995, and the procedure, itself, is relatively simple. The winning skipper or club of a perpetual trophy which travels from venue to venue must sign an accountability form holding the winner responsible for the care of the trophy, its engraving, and its return to the appropriate venue the following year. While simple in its essence, the procedure carries far-reaching benefits for the future protection of these intrinsically valuable trophies.

The accountability procedure, however, could not correct overnight the myriad problems associated with the GYA's perpetual trophies. The Trophy Committee set about on a program of research and documentation that involved countless hours and many individuals—none more so than Chairman Chapman and committee member/secretary Mug Cole. Many people were asked to consult their personal records to determine missing winners or locate missing deeds of gift. Hours of research were conducted in the GYA Archives housed at the University of West Florida. New deeds of gift were drafted where none existed or were inadequate at best. Custodial responsibility was assigned or clarified based on the deeds of gift. The committee urged donors to allow the trophies to continue to travel, when some were leaning the other way for prior obvious reasons. Carrying cases were made (and are still being made) and in some cases donated to the GYA to insure the trophies' protection. Records pertaining to individual trophies were updated as far as humanly possible. Trophies were photographed and scale drawings made to enable their reproduction, or, at least, insure for posterity permanent documentary evidence of their appearance. Where needed, trophies were repaired as funds became available.

The foregoing represents merely the highlights of the outstanding work of the Trophy Committee. Suffice it to say that much was done behind the scenes and with little fanfare to create a living historical record of these—the GYA's most coveted assets.

What follows is a volume so complete as to represent in and of itself a history of the Gulf Yachting Association and a partial retelling of the events and individuals making up that history. It can be said that history is two-faceted. It is both the collective memories of the men and women who played a prominent role in its creation, as well as the tangible remnants of that past, which, unlike memory, is physical and hence indisputable. The perpetual trophies contained herein are just that—the tangible remnants of the history of the GYA—that tell us who we are and where we have been. They assure us that the past is never really dead, it is merely past. They assure us, further, that a physical link will always exist between generations of sailors now gone and those yet born—those who will someday be the stewards of our history, just as we are today.

# **Introduction**

## **(From Original Book)**

This book, prepared by the GYA Trophy Committee, contains a title page, a color photograph, a drawing with detailed dimensions and description of materials, a deed of gift and a record of winners for each GYA Perpetual Trophy.

The book also records “The Sir Thomas Upton Interclub Challenge Trophy”, emblematic of the premiere Interclub One-design GYA Championship owned by the Southern Yacht Club:

The information contained herein, besides being a virtual history of all GYA interclub competition, should also be of help to replace or restore any trophy that is lost or damaged.

We acknowledge the generosity and quality work of Rod Gunnell of New Orleans Reproductions, Mug Cole for her artwork and many miles and hours of dedication, Susan Vaillant for establishing a computer base for recording future trophy winners, the Bay-Waveland Yacht Club Ladies Auxiliary for final assembly of the books, and any number of you who have taken the time to assist us in this endeavor.

## Deed of Gift

Deed of Gift

for the

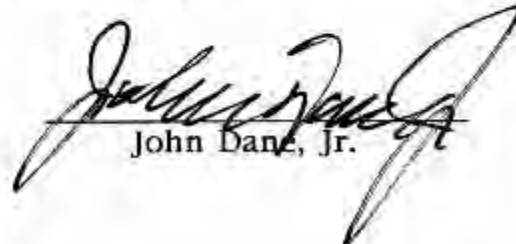

Commodore John Dane Memorial Trophy

In order to advance the sport of sailboat racing among the senior members of the Gulf Yachting Association, this deed of gift and the Commodore John Dane Memorial Trophy are presented to the GYA in Commodore Dane's memory for "Old Timers" competition. The trophy is a sterling silver loving cup won by my father, Commodore Dane, in 1929 in a predicted log power boat race from New Orleans to the Mississippi Gulf Coast. Commodore Dane was commodore of the Southern Yacht Club in 1937-38.

The trophy is to be competed for annually at the GYA Opening Regatta, and sailed for in the same class boat as adopted by the GYA for interclub competition in club-owned sailboats. Skippers and crew members must have reached their 50<sup>th</sup> birthday in order to compete. The names of the winning skippers and crew members are to be inscribed on the trophy's base, and suitable keeper trophies are to be presented to the winning skippers and crew members.

The trophy is to be displayed at the yacht club of the winning skippers, engraved with their names, and returned by the winners to the Opening Regatta host club unless the GYA elects to take more restrictive steps to protect the trophy.

If interest in competition for the trophy does not continue, the GYA may rededicate it for another purpose.

AMENDMENT TO DEED OF GIFT  
OF  
COMMODORE JOHN DANE MEMORIAL TROPHY  
AWARDED TO  
WINNING MASTERS TEAM

Whereas the GYA desires to continue awarding the Commodore John Dane Memorial Trophy to honor Commodore John Dane's memory for "Old Timers" competition, and

Whereas the Trophy is to be competed for annually and awarded at the GYA Opening Regatta, and

Whereas the GYA has adopted a new class boat for the interclub competition in club owned sailboats, and

Whereas the 2<sup>nd</sup> paragraph of the Deed of Gift reads in part that the trophy is "sailed for in the same class boat as adopted by the GYA for interclub competition in club owned sailboats.", and

Whereas that I, John Dane III, the son of Commodore John Dane, Junior, am his direct descendant and authorized to request changes to the original Deed of Gift,

I, therefore, direct that the 1<sup>st</sup> sentence of the 2<sup>nd</sup> paragraph of the Deed of Gift be amended to read: "The trophy is to be competed for annually at the GYA Opening Regatta and sailed for in a GYA approved boat designated by the One Design Council/Committee."

All other requirements of the Deed of Gift remain in effect.

### Junior Lipton Trophy

This will document the purchase and dedication by the Gulf Yachting Association in the year 1941 of the Junior Lipton Trophy, a large revere bowl, for interclub competition among junior sailors in club-owned boats. The trophy is dedicated in memory of Sir Thomas Lipton, and is to be competed for by junior sailors, who, by the rules of the time, were not permitted to sail in the Lipton Cup races.

The trophy is to be awarded annually at the Junior Lipton Regatta to the yacht club which has acquired the best scores in the series, to be normally held in July or August, and a suitable keeper trophy is to be presented to the winner.

The trophy is to be displayed at the winning yacht club, engraved with that club's name, and returned by the winner to the club hosting the regatta the following year.

## DEED OF GIFT

We, the Friends of Commodore Walter G. Chamberlain, give to the Gulf Yachting Association (GYA), a perpetual trophy described to wit:

*A 10 3/8" polished, solid aluminum lighthouse atop and 8" two-tiered wooden base.*

This trophy is to be named "The Commodore Walter G. Chamberlain Trophy" and is to be presented annually to the winning skipper of the first race of the Junior Lipton Regatta.

We feel that the Junior Lipton Regatta should have this perpetual recognition and we also feel that Walter G. Chamberlain's long and meritorious service to the Gulf Yachting Association warrants such a trophy dedicated in his honor.

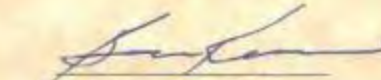

Commodore Chamberlain served the GYA in many positions including Commodore, Parliamentarian, and US. Sailing Representative. Additionally, he served the GYA in many sailing events, having chaired, judged, and served as Principal Race Officer in Association and National Events. Chamberlain has further represented the GYA well on a national level having served as Secretary and Parliamentarian of US Sailing.

The lighthouse was selected for this award because lighthouses provide stability, vision, direction, guidance and safety—all of which are facets of Commodore Chamberlain's mission to help young sailors love the sport as much as he loved it.

In the event that the Junior Lipton Regatta should be discontinued, we stipulate that the Commodore Walter G. Chamberlain Trophy be rededicated to another Gulf Yachting Association Youth Championship or such other purpose as determined by its Board of Directors.

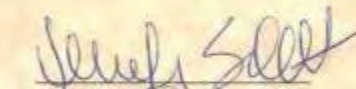

Respectfully submitted on behalf of the many Friends of Walter G. Chamberlain on this the 18th day of May, 2019.

### The Commodore Leslie P. Beard Trophy

This will document the acquisition and dedication by the Gulf Yachting Association in the year 1967 of the Commodore Leslie P. Beard Trophy, a goblet/chalice type cup, as a memorial to Commodore Beard.

Commodore Beard was Commodore of the Gulf Yachting Association in 1942 and 1943, and was a past Commodore of the Southern Yacht Club. He was known for his sailing prowess and served as Chairman of the Lipton Board of Appeals for many years.

It was the fond and earnest desire of the late Commodore Beard that Junior members of GYA member yacht clubs grow into men and women of honor, respect and achievement, not in sailing ability alone, but rather through a well-rounded career of service and value to fellow juniors, to senior members and to their respective yacht clubs.

The Commodore Leslie P. Beard Trophy was established in 1967 in his memory by the Gulf Yachting Association with donations for its purchase by the member clubs, members of the Beard family and other interested individuals. The trophy was originally awarded each year at the annual meeting of the Gulf Yachting Association to the Junior-member group, which, in the judgement of the Awarding Committee, best exemplified those characteristics that Commodore Beard held so dear.

In keeping with the original intent, the trophy has been, since 1989, awarded to the Junior Lipton sailing team which best exemplifies sportsmanship on and off the racecourse during the annual Junior Lipton Regatta. The recipient is selected by vote of the participants and regatta officials.

The GYA Board of Directors may, upon proper vote, change the purpose for which the trophy is awarded. A keeper award shall be presented by the host club to the team winning this trophy.

For the GYA Board of Directors

  
Commodore Robert J. Bailey

### Sir Thomas J. Lipton Interclub Challenge Cup 1/2 Model

This will confirm the dedication in 1974 of the exact 1/2 model of the Sir Thomas Lipton Interclub Challenge Cup by the Southern Yacht Club to the Gulf Yachting Association, to be presented annually to the yacht club successfully challenging for, or defending its possession of the cup. The purpose of this trophy is to provide an exact replica of the actual Lipton Cup it represents, that may be transported from club to club. The actual Cup, too delicate and valuable to withstand considerable handling, remains on display at the Southern Yacht Club. The Lipton Challenge Cup was sailed for in club-owned Fish Class sloops from 1920 to 1968, and beginning in 1969, in Flying Scot Class sloops.

It is understood that the GYA will present suitable keeper plaques to the yacht clubs placing first, second and third in the competition. This trophy is to be displayed at the winning yacht club, engraved with that club's name, and returned by the winner to the club hosting the regatta the following year. The trophy is to be transported in the carrying case generously provided by the Pass Christian Yacht Club

## **Rebuilt Sir Thomas J. Lipton Interclub Challenge Cup**

(Original Trophy Lost in Fire at Southern Yacht Club Resulting From Hurricane Katrina August 23, 2005)

*This 39" tall silver cup was presented to Southern Yacht Club by the great tea magnate, Sir Thomas Lipton in 1919 as a challenge trophy. Following Lipton's wishes, SYC offered the Trophy for interclub races between clubs in the Gulf Coast Area. This was followed by the first challenge in October 1920, the beginning of the now 81-year-old competition for this yacht racing prize, competed for by clubs in the Northern Gulf area.*

*Later the same year in Mobile, Alabama, the Southern Gulf Coast Yachting Association was reorganized as the Gulf Yachting Association.*

*The trophy was allowed to travel from winning club to winning club until 1974, when, for protection purposes, SYC elected to keep it in its clubhouse, and arranged for a half-model to be cast and to be displayed at each winning club.*

## **THE SIR THOMAS LIPTON INTERCLUB CHALLENGE CUP**

*One of the most valuable perpetual trophies owned by the Southern Yacht Club, this sterling silver piece is inscribed with the following hallmarks:*

<i>Silversmith's Mark</i>	<i>The mark of Charles and Richard Comyns, registered 1918-1919</i>
<i>Lion Passant</i>	<i>Indicating the trophy is guaranteed sterling and was crafted in England</i>
<i>Leopard's Head Uncrowned</i>	<i>Indicating the trophy was made in London</i>
<i>The letter </i>	<i>Indicating crafting in 1919</i>
<i>Reigning Sovereign's Head</i>	<i>Profile of King George V, indicating that the piece had been assayed</i>

*The trophy sits atop a wooden base, adorned with silver plates engraved with names of former winning yacht clubs.*

*In accordance with Sir Thomas Lipton's letter to Southern Yacht Club Secretary-Treasurer William Parham dated October 22, 1919, the trophy was designed in 1919. Commodore Percy Benedict's letter to Sir Thomas dated June 11, 1920 confirmed receipt of the gift.*

Commodore Larry Beauvais, Jr. Memorial Trophy  
for the  
Gulf Yachting Association Lipton Regatta

The Mobile Yacht Club presented the Commodore Larry Beauvais, Jr. Memorial Trophy to the Gulf Yachting Association on September 6, 1965 in recognition of Commodore Beauvais' contributions to sailing and the GYA.

Commodore Beauvais served as Commodore of the GYA in 1958, but it was his finish in the last race of the 1956 Lipton Regatta that won the series for Mobile Yacht Club and inspired his friends to remember him in this special way.

It is deemed fitting, therefore, that this trophy be given in perpetuity to the GYA to be presented annually to the winning skipper of the last race of the GYA Lipton Regatta and displayed prominently in the clubhouse of the winning club for one year.

The GYA is hereby named and designated as trustee for said trophy and is hereby granted authority for its maintenance and safekeeping.

A marker trophy shall be awarded annually by the Gulf Yachting Association to the winning club.

For the Mobile Yacht Club Board of Governors,

  
Commodore R. Wallace Killcreas

## Tim Murray Memorial Trophy

Deed of Gift  
Tim Murray Memorial Trophy

The Murray family gives to the Gulf Yachting Association a perpetual trophy described to wit:

A two handled sterling silver cup (11" H, 10.5" wide) on a walnut pedestal base.  
The sterling cup is engraved with a double burgee, "GYA" (in reverse) and "M•GS", and "Most Improved."  
Walnut pedestal base measures 7.5"L x 7.5" W x 4 3/4" H. Total height 15.5."

This trophy was first given in 1994 by Tim Murray, through his magazine Mid-Gulf Sailing, to recognize the team that most improved their standing in the Lipton Regatta from one year to the next. Tim Murray, who passed away in 2005, believed that maintaining the Corinthian spirit was key to sustaining competition. The overall goal of awarding this trophy is to encourage participation in sailing competition while making all teams feel their importance in the process. The secondary goal is to memorialize Tim Murray, a competitor in the sailing community who we believe exemplified the Corinthian spirit.

The trophy is to be named the Tim Murray Memorial Trophy and is to be presented annually to the most improved GYA team at the Sir Thomas Lipton Challenge. The winning team must not have places in the top 5 in the previous year's regatta. The trophy shall reside at the home of the winning team and shall be returned at the next Sir Thomas Lipton Challenge competition.

In the event of insufficient interest or for other reasons this trophy is no longer awarded for this purpose, the trophy may be rededicated to another GYA sanctioned competition and/or championship, subject to the approval of the GYA Board of Directors. Should the trophy be retired, the trophy shall reside permanently at Southern Yacht Club.

#### MOBILE YACHT CLUB TROPHY

On behalf of the Mobile Yacht Club, and in consideration of all Gulf Yachting Association General Member Clubs unable to compete in the GYA Offshore Challenge Cup with the maximum four boats, I hereby dedicate this award, to be known as the Mobile Yacht Club Trophy, to the Gulf Yachting Association. The trophy is to be presented annually to the GYA General Member Club with the best three-boat entry in the GYA Offshore Challenge Cup. The trophy is to be prominently displayed in the clubhouse of the winning club until it is returned to the host club for presentation at the next annual competition.

The Mobile Yacht Club Trophy is to be engraved by the winning club in the same manner as previous winners in the appropriate location on the trophy. It is understood that this trophy will rotate among winning clubs, which are GYA General Member Clubs, and that the host club will provide keeper trophies annually for this award.

Should the format of the Offshore Challenge Cup change or be discontinued, it is my expressed desire and that of the Mobile Yacht Club that this trophy then be presented annually for some similar series which shall be selected by the Gulf Yachting Association.

 OFFSHORE CHALLENGE CUP GULF YACHTING ASSOCIATION

Deed of Gift

for the

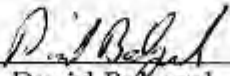

G.S. "Buddy" Friedrichs, Jr. Memorial Trophy

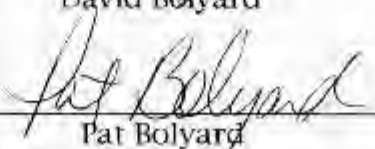

In recognition of the intense competition over many years between Buddy Friedrichs and ourselves, and the mutual respect and admiration that existed between us, this deed of gift and the G.S. "Buddy" Friedrichs Trophy are, by these presents, given to the Gulf Yachting Association for presentation annually to the first place yacht in Class A at the Offshore Challenge Cup Regatta.

The trophy is a reminder that Buddy was a true Corinthian and a fierce competitor who contributed substantially to the success of the Offshore Challenge Cup. It is to be displayed at the yacht club of the winner, engraved, and returned the following year to the Challenge Cup host club, unless the GYA should decide that alternative steps are necessary for protection of the trophy. A suitable keeper trophy is to be provided to the winner.

Should conditions warrant, the GYA may change the purpose for which the trophy is sailed, based on the recommendation of its Offshore Council.

The **Commodore Thomas D. Beery, Jr. GYA Offshore Challenge Cup Class B Trophy** is presented in honor of Commodore Beery's dedication to the GYA, recognizing his tenure as the GYA Commodore in 1985, recipient of the Jack and Flo Scheib Service Award in 1996, as a strong competitor in offshore sailing throughout the years, and for his continuous service as Chairman of the GYA Offshore PHRF Rating Committee for over 30 years commencing in 1980.

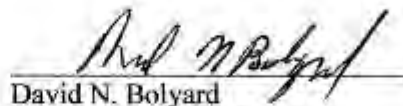

The Trophy is a wall hanging of a stainless steel half hull mounted on a solid piece of mahogany with sterling silver plates for engraving.

## DEED OF GIFT

for the

### Commodore Bobby Bailey Trophy

Friends of Bobby Bailey hereby present this Trophy to the Gulf Yachting Association for presentation annually to the winner of Class C at the GYA Offshore Challenge Cup Regatta.

The Trophy shall serve as a memorial to Commodore Bobby Bailey past commodore of the Gulfport Yacht Club, the Mississippi Coast Yachting Association and the Gulf Yachting Association. He also chaired the GYA Race Management Committee, the GYA Offshore Council and served on the Trophy Committee, being instrumental in producing Trophy Book of its perpetual trophies.

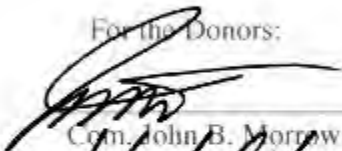

This perpetual trophy is to be displayed in the clubhouse of the winning club. The Club in possession of this Trophy shall be responsible for its safekeeping and shall deliver it to the club hosting the Offshore Challenge Cup the following year. It is to be engraved with the year, the Yacht Club, the boat's name and the name of the winning skipper, all as was done for the prior year. It is understood that the club hosting the regatta shall present a marker trophy to the winner, and the marker trophy shall also be displayed in the clubhouse of the winning club.

Bobby was respected and admired by all who worked with him, as he met his responsibilities with dedication and dignity, sometimes capped with his unique humor.

Should insufficient interest occur in competition for this trophy for its stated purpose, the GYA Board of Directors may rededicate it for another sailing event.

With great admiration and profound respect, a number of the friends of Bobby Bailey do, by these presents, present this trophy.

***Commodore Janet R. Miller-Schmidt Trophy***

**awarded to**

Winning Boat, Skipper's Yacht Club Class D

Established 2010

## Commodore Janet R. Miller-Schmidt Trophy

**DEED OF GIFT**  
**for the**  
**Commodore Janet R. Miller-Schmidt Trophy**

We, The Women Pontchartrain Yacht Club, give to the Gulf Yachting Association a perpetual trophy described to wit:

A Sterling Silver Chalice with a gold lined bowl made in Hanau, Germany by J. D. Schleissner & Sons, No. 7474. The chalice is 10 ½ inches tall.

The overall base for the trophy is an eight sided cypress pedestal which is 9 7/8 inches high. The bottom of the base is 7/8 inches high by 12 1/8 inches deep and 13 15/16 inches wide. Around the edge of this base are six, stainless steel, engraving plates, 3 ½ inches by 1¾ inches engraved with the names of the donors of this trophy. The upper portion of the base is 8 inches high by 7¾ deep and 11 3/8 inches wide. It has six sides which are 4½ inches wide by 8 inches high and two sides which are 3 ¼ inches wide by 8 inches high. The two name plates on the trophy are 3½ by 6 inches stainless steel and the two logo plates are 2½ inches by 3 inches, each has the GYA Burgee and the Pontchartrain Yacht Club burgee centered on the plates. There are 20, 3½ inches by 1 inch stainless steel engraving plates on the upper base for the winners information. The font on the engraving plates shall be Times New Roman in 12 points and will contain the year, the winning boat's name, the winning club's name and the winning skipper's name in that order.

This trophy is to be so named the "*Commodore Janet R. Miller-Schmidt Trophy*" and is to be presented annually to the winning boat in the GYA Challenge Cup, Class D.

We deem the GYA Challenge Cup, Class D, should be recognized with a perpetual trophy. Janet began her GYA sailing career in Class D, aboard Gene Finnell's, Pearson 28, *ISIS* in 1988. Because Janet served as the first female Commodore of the Gulf Yachting Association (GYA) in 2006, she deserves this special recognition. Within the GYA, she has served as the first President of the

GYA Foundation, the GYA Secretary-Treasurer for many years, and on several GYA committees, sailed in many GYA Sanctioned and US Sailing events, served as a US Sailing certified judge, as a member of numerous race committees for GYA events and continues to serve the GYA.

Each time the Challenge Cup is contested this trophy shall be delivered to the hosting yacht club and shall be awarded to the highest placing GYA club's boat in Class D of the GYA Challenge Cup. It shall be engraved with the year awarded, the name of the winning boat, the GYA winning club and the name of the GYA winning skipper, in that order, on one of the trophy's stainless steel engraving plates. The trophy will reside at Pontchartrain Yacht Club when not awarded.

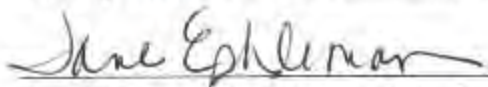

In the event the GYA Challenge Cup, Class D, ceases to have a GYA Sanction, we would stipulate, with GYA Board approval and the approval of Pontchartrain Yacht Club Board of Directors, the "Commodore Janet R. Miller-Schmidt Trophy" be rededicated to another GYA Sanctioned Championship.

Upon retirement, the trophy is to reside in perpetuity at Pontchartrain Yacht Club. Should Pontchartrain yacht Club no longer exist, the trophy shall become the property of Janet's family.

Respectfully submitted by: The Women of Pontchartrain Yacht Club (Susie Bishop, Julie Bolyard, Deborah Canatella, Caron Choate, Amalie Danielson, Phyllis Danielson, Susan Danielson, Becky Deano, Cathy Deano, Janie Eshleman, Terri Hamilton, Bridget Jarvis, Gail Ledet, Jenny O'Hara, Erin Powel, Cindy Quinlan, Stefani Sollberger, Celeste Thorson, Bev Toeppen, Leigh Wanless, Georgia Young)

## Deed of Gift

DEED OF GIFT  
OF  
COMMODORE EUGENE TAYLOR  
PERPETUAL TROPHY

With the end in view to advance the science of sailing and promoting the welfare and progress of the Gulf Yachting Association, I do, by these presents, give to the Gulf Yachting Association a trophy to be known as "THE COMMODORE EUGENE TAYLOR PERPETUAL TROPHY".

This trophy is to be sailed for in annual competition by the Lightning Class and is to be held and retained by the winner until the next annual series. To participate in this series the owner of the Lightning Class sloop shall be at the time of the holding of this event a member in good standing of one of the member clubs of the Gulf Yachting Association.

The club of which the participant is a member shall be fully responsible for the return of the trophy in good order and condition, prior to the holding of each annual event, and upon the failure of the holder and winner to return same prior to the annual series, either the member club or the Gulf Yachting Association, or both, shall have the right to take whatever proceedings as are necessary to insure the return of the trophy.

The club of which the winning skipper is a member shall have the privilege of holding the next annual series in its home waters and shall be considered to have accepted this right unless the secretary of the Gulf Yachting Association is notified in writing not less than six months prior to the holding of the next annual event.

WITNESS MY HAND this 30th day of April, A.D. 1952.

*Eugene Taylor*  
COMMODORE EUGENE TAYLOR  
*Justie P. Beard*  
WITNESS  
WITNESS

AMENDMENT TO DEED OF GIFT

of

COMMODORE EUGENE TAYLOR PERPETUAL TROPHY

Whereas the GYA desires to provide for greater security for the Commodore Eugene Taylor Trophy, and

Whereas the 2<sup>nd</sup> paragraph of the deed of gift for that trophy reads in part that the Trophy "...is to be held and retained by the winner until the next annual series.", and,

Whereas the 3<sup>rd</sup> paragraph of the deed reads in part that "The club of which the participant is a member shall be fully responsible for the return of the trophy in good order and condition, prior to the holding of each annual event...", and,

Whereas a club can hardly be held responsible for the return of a trophy that is not in its care, custody and control, and,

Whereas neither Commodore Taylor nor any descendant of his is living today (see enclosed letter dated October 7, 1999),

In the interest of providing the same security for the Commodore Eugene Taylor Trophy that is provided for all other GYA perpetual trophies,

The GYA hereby directs that the 1<sup>st</sup> sentence of the 2<sup>nd</sup> paragraph of the deed of gift be amended to read: "This trophy is to be sailed for in annual competition by the Lightning Class and is to be held and retained by the winner's club until the next annual series." (changed wording is underlined), and further directs that this amendment be attached to the deed of gift and be made a part thereof.

For the GYA Board of Directors this 9<sup>th</sup> day of January, A.D. 2000

  
COMMODORE ROBERT J. BAILEY

Re: Gulf Yachting Association Individual Flying Scot Championship Trophy

Dear Commodore Bailey:

Please accept this letter as a Deed of Gift for the Gulf Yachting Association Individual Flying Scot Championship Trophy known as "The Cock of the Walk Trophy" which I presented to the G.Y.A. in 1975. This trophy is given in perpetuity and is to be presented annually to the winning skipper from a Gulf Yachting Association member club who attains the best competitive score in the Individual Flying Scot Championship event. It is my desire that the trophy not travel, but remain in the care of the Pensacola Yacht Club where competition will take place annually. The Host Club for the event will provide keeper awards as appropriate for the competition annually.

The Gulf Yachting Association may establish parameters for the competition of this Trophy and should interest wane in the G.Y.A. Individual Flying Scot Championship, then the G.Y.A. Board of Directors may rededicate this Trophy for some appropriate inter-club event of their choice. In that event, it is my desire that the Trophy not travel and remain in the care of the Pensacola Yacht Club.

I hope that the Gulf Yachting Association will accept this trophy and will award it annually as requested.

Sincerely,

  
Lewis B. Pollak, Sr. Past-Commodore  
Gulf Yachting Association

Re: Gulf Yachting Association Multi-hull Championship Trophy

Dear Frank:

Please accept this letter as a Deed of Gift for the Gulf Yachting Association Multi-hull Championship Trophy which I presented to the G.Y.A. in 1975. This trophy is given in perpetuity and is to be presented annually to the winning Gulf Yachting Association member club who's team attains the best competitive score in this competitive event. It is my desire that the trophy be presented at the host Club annually, but following trophy presentation and engraving of the winning club's name on the appropriate base plate, it should be returned to the Pensacola Yacht Club for display and safekeeping. The winning G.Y.A. Club hosting the event in the following year should provide keeper awards as appropriate for the competition held at their Club.

The Gulf Yachting Association may establish parameters for the competition for this Trophy and should interest wane in the G.Y.A. Multi-hull Championship, then the G.Y.A. Board of Directors may rededicate this Trophy for some other appropriate inter-club event. Should this occur, it is my desire that the Trophy not travel and remain on display and in the care of the Pensacola Yacht Club.

I hope that the Gulf Yachting Association will accept this trophy and will award it annually as requested.

Sincerely,

Lewis B. Pollak, Sr. Past-Commodore  
Gulf Yachting Association

## **Knost Regatta – Ladies Championship**

### ***Knost Perpetual Trophy***

**awarded to**

Winning Yacht Club

Established 1938

## Knost Perpetual Trophy

The perpetual trophy known as "The Knost Trophy" was given to the Gulf Yachting Association by Commodore Bernard L. Knost in 1938 to encourage the sport of sailing among the women members of the yacht clubs comprising the Gulf Yachting Association.

Annual competition for the trophy is held in waters off the Pass Christian Yacht Club. The Pass Christian Yacht Club is the trustee of the trophy and is empowered to conduct the competition. Each club in the Gulf Yachting Association is invited to enter a team. A team consists of three women designated as "skippers" or helmswomen - one skipper plus crew for each of the three races. A person can skipper in only one race. However, crew members may sail in more than one race, and "skippers" may crew in races other than their own.

The Pass Christian Yacht Club and the Gulf Yachting Association designate the weekend dates each year for the competition. The boats to be used are the one-design, club owned boats selected by the Gulf Yachting Association.

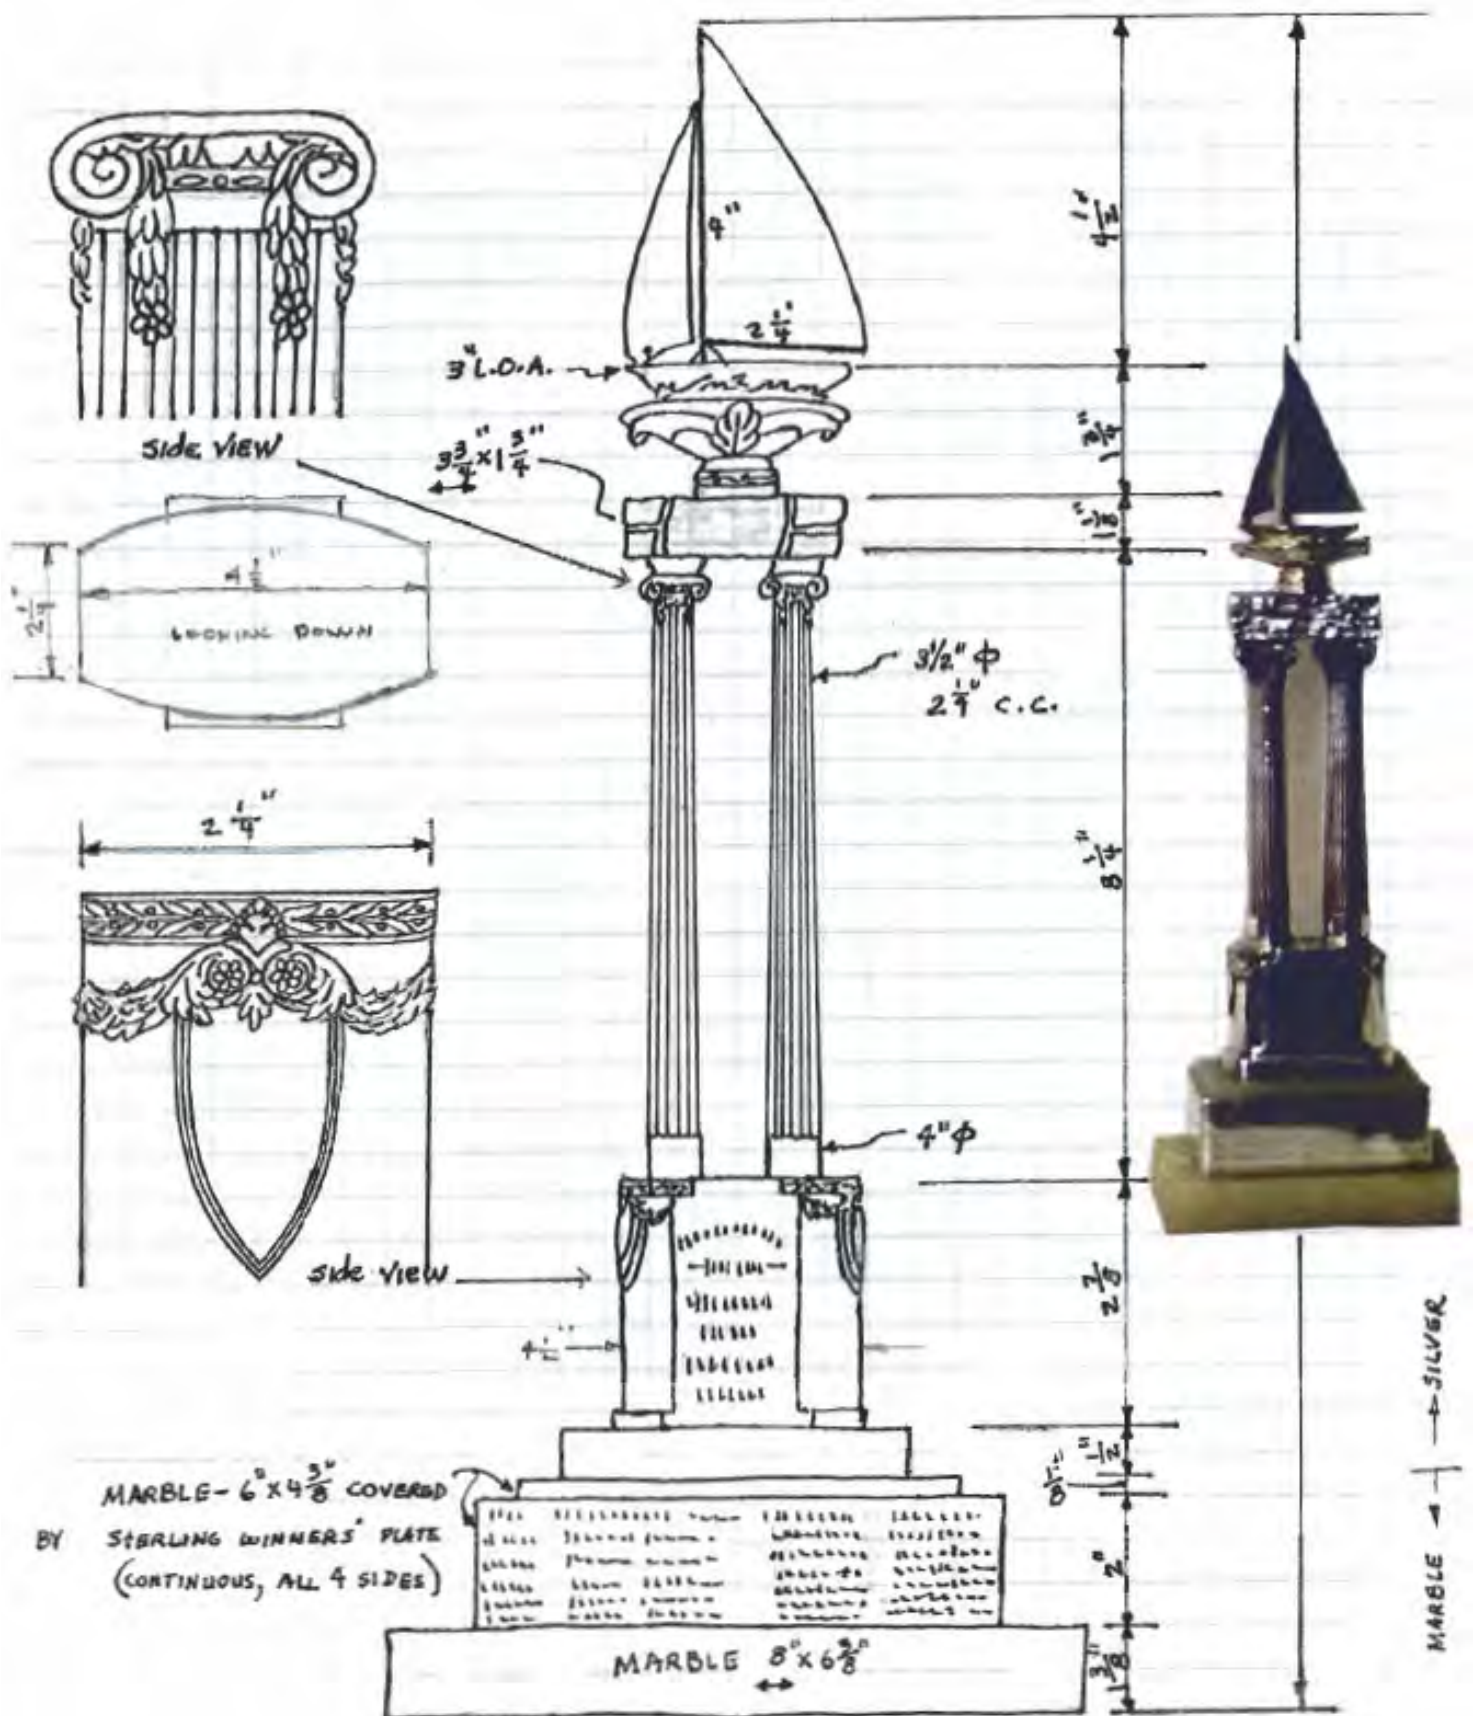

The Knost Trophy races are conducted under the international sailboat racing rules as adapted by the Gulf Yachting Association. Specific to the "Knost Regatta", all skippers and crew members must be women 12 years of age or older. No males are allowed to help in the proximate preparation of the boat prior to a race. Procedures for last minute repairs must be approved by the Race Committee. Males may assist with remote preparations such as trailering and hoisting.

The scoring system in use by the Gulf Yachting Association establishes numeric scores. The Knost Trophy is presented to the winning club; however, the trophy is retained by PCYC. The winning club's name is inscribed on the trophy along with the year of triumph. First second and third place plaques are presented to these top teams for permanent display in their home clubs. Individual trophies are awarded for each race to the top three skippers and crews.

The Knost Trophy competition is fully sanctioned by the Gulf Yachting Association and any club points earned apply to competition for the Capdevielle Trophy.

Since the death of Commodore Knost in 1962 various members of the Knost family have sponsored the regatta.

DEED OF GIFT

for the

CHARLES GALLOWAY TROPHY

Whereas, the Gulfport Yacht Club Board of Directors has considered that interest in single-handed racing, so necessary to proficiency in yacht racing and seamanship, could be reawakened by the existence of a Gulf Yachting Association Sunfish Regatta, and

Whereas, Commodore Galloway met with officers of the GYA at their meeting August 31, 1968 in Panama City, Florida, and presented the proposal of the Gulfport Yacht Club to annually host a GYA Sunfish Class Championship beginning in 1969, and

Whereas, the GYA has unanimously approved acceptance of the Charles Galloway Trophy, to be awarded annually to the GYA Sunfish Class Champion, whose name and that of his or her yacht club will be engraved on the trophy,

The Charles Galloway family does hereby give this perpetual trophy to the Gulf Yachting Association for its Sunfish Class Championship.

The trophy is to remain at the Gulfport Yacht Club. Should interest in this single-handed championship substantially diminish, the GYA may prescribe another series to be sailed for this trophy.

## Deed of Gift

### The John G. Curren Fish Class Trophy

This sterling silver replica of the 1919-design Fish Class sailboat was originally provided in 1961 by friends of John G. Curren, following his untimely death, in memory of his untiring efforts to promote the sport of yachting among clubs of the Gulf Yachting Association. The trophy was raced for at the annual Mardi Gras Regatta at the New Orleans Yacht Club.

In 1969, Hurricane Camille, as it devastated the Mississippi Coast, brought about the loss of all parts of the trophy except the sails, which were salvaged intact.

For most of the ensuing 30 years, the Fish Class was relatively inactive. Toward the end of the century, there developed a resurgence of interest in restoring old Fish boats, construction of several new ones, and extensively racing them together. This prompted friends of the Class and GYA club members who recognized the impact of the Fish Class to one-design racing in the Northern Gulf to restore this trophy through contributions to the GYA Foundation.

Concurrently, the GYA elected to establish a first-ever GYA Fish Class Championship, an interclub event, to be sailed annually at the Buccaneer Yacht Club on Mobile Bay. This trophy will be presented annually to the winning yacht club to keep for a year, and the host club will present keeper awards.

Should interest in competition in the above manner decline, the GYA Board of Directors may designate another purpose for award of the trophy

  
By adoption of GYA Board of Directors, January 9, 2000

**THE GYA WOMEN'S PHRF CHAMPIONSHIP PERPETUAL TROPHY**  
**DEED OF GIFT**

**I. Opening Statement** - The Pensacola Beach Yacht Club gives to the Gulf Yachting Association a perpetual trophy described as a crystal sailboat mounted on a walnut base to be so named *The GYA Women's PHRF Championship Perpetual Trophy*. This trophy is to be presented to the overall winner of the Gulf Yachting Association (GYA) Women's Performance Handicap Racing Fleet (PHRF) Championship Competing in the Spinnaker Fleet.

**II. Purpose** - The Pensacola Beach Yacht Club has long been a supporter of women's sailing on the Gulf Coast and continues to do so. In 2001, the Gulf Yachting Association created the Women's PHRF Championship. This trophy will recognize the overall winner of that regatta. The Pensacola Beach Yacht Club wishes to recognize, through the gift of this trophy, the competitive spirit of women's sailing on the Gulf Coast.

**III. Selection Process** – The overall winning boat of the PHRF Spinnaker fleet participating in the sanctioned event shall be awarded *The GYA Women's PHRF Championship Perpetual Trophy* (utilizing the current *Racing Rules of Sailing* to decide the overall winner of individual or multiple classes or fleets including tie-breakers). If for whatever reason the regatta is not held during a particular year, the Trophy will be retained by the GYA until the next race is held.

*Racing and Eligibility Requirements* (See GYA Directory Section M-57 GYA Women's PHRF Championship)– the following are required for the Trophy to be awarded:

- 1) There will be an annual regatta consisting of at least two races.
- 2) There shall be no males aboard any of the boats competing in the class (es) eligible for this Trophy.
- 3) Entrants shall be members of GYA Clubs. There shall be no limit to the number of entries per club.
- 4) All entrants shall have a Skipper and crew.
- 5) A Skipper is the Responsible Person in Charge aboard a boat while racing. Skippers shall be female and have been a member of a GYA Club for at least the three months preceding the event.
- 6) Crew shall be all female. At least one-half of the crew racing on each boat shall be members of a GYA Club.

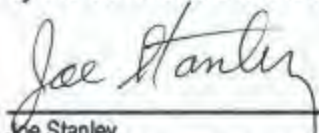

**IV. Re-dedication** – The *GYA Women's PHRF Championship Perpetual Trophy* may be rededicated if there is no longer a GYA Women's PHRF Championship. The Trophy may be rededicated to the overall winner of a similar GYA Sanctioned Event that meets the Racing and Eligibility Requirements of this Trophy. Rededication shall be approved by the then-current Board

of Directors of the GYA and the then-current Board of Directors of Pensacola Beach Yacht Club if it is a member of the GYA at that time.

**V. Care of Trophy** – The GYA has a program in effect for the care and maintenance of trophies. The Trophy may be displayed in the winner's Yacht Club until 14 days prior to the next GYA Women's PHRF Championship. At least 14 days prior to the upcoming Championship, the Trophy will be shipped to the Yacht Club hosting that year's Championship.

*(Perpetuity – Pensacola Beach Yacht Club recognizes that organizations change over time. If the GYA reorganizes, changes name, merges with another Regional Sailing Association, splits, disbands, or otherwise has a successor, the Pensacola Beach Yacht Club Perpetual Trophy shall remain in the organization that includes Pensacola Beach, Florida and the rights and responsibilities given to GYA by this Deed of Gift shall transfer to that new entity. Likewise, if a similar type of event happens to Pensacola Beach Yacht Club the rights and responsibilities given to Pensacola Beach Yacht Club shall transfer to that new entity.)*

**VI. Signing** – Final Deed to be dated and signed by the donor (the 2009 Commodore of the Pensacola Beach Yacht Club will sign as representative for the entire club and flag officers), and by the commodore of the GYA, signifying acceptance.

**DEED OF GIFT**

***John C. Lovell, Jr. GYA Optimist Championship Trophy***

Southern Yacht Club hereby deeds to the Gulf Yachting Association a perpetual trophy described to wit:

*Silver Cup on black wooden base, 21" high, 16" wide. Trophy will need to have a polished Stainless (black filled) plaque with inscription added upon acceptance by GYA*

This trophy is to be named the "*John C. Lovell, Jr. GYA Optimist Championship Trophy*" and is to be presented annually to the winner of the GYA Optimist Championship as administered by the GYA. The trophy will reside at the winning skipper's GYA club until next contested. The year awarded, the name of the winning skipper and the GYA club he or she represents shall be engraved on one of the trophy's stainless steel plates.

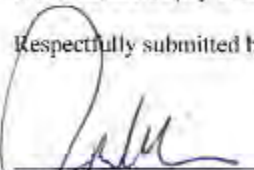

The trophy is in recognition of John C. Lovell, Jr.'s actions in bringing the fledgling International Optimist Dinghy class to the GYA in 1979 and fostering its growth through the early 1980's. Through much personal effort and expense, his foresight established the class, first at Southern Yacht Club and then throughout the GYA as the premier training boat, laying the foundation for generations of sailors, many of whom have gone on to great racing success, but as importantly, have taught so many the lifelong sport and joy of sailing.

In the event the GYA ceases to have a GYA Optimist Championship, we would stipulate that upon approval of SYC's Board of Governors, the trophy may be rededicated to another appropriate GYA Youth Championship.

If retired, the trophy is to return to and reside in perpetuity at Southern Yacht Club.

## Adriel Ellis Graham "Sparky" Arceneaux Trophy

DEED OF GIFT  
for the  
*Adriel Ellis Graham "Sparky" Arceneaux Trophy*

I, James C. "Beau" Arceneaux, IV, the son of "Sparky", give to the Gulf Yachting Association a perpetual trophy described to wit:

*Silver Sterling Water Pitcher, approximately 7 5/16 inches high by 7 3/16 inches from the handle to the outside edge of the lip and 5 1/8 inches across the broadest part of the bowl. The Pitcher is placed on a black Walnut base 1/2 inch high by 7 inches wide and 7 3/8 inches deep. The upper base is 4 1/2 inches high by 5 1/2 inches wide and 5 7/16 inches deep. The over all height of the base is 4 3/4 inches high. Twelve 2 1/4 by 1 1/4 inch stainless steel engraving placed are placed symmetrically on three side of the base. The trophy name plate is 2 1/2 by 4 1/2 inches, stainless steel, engraved on the bottom with the Wm Rodgers stamp 417.*

This trophy is to be so named the "Adriel Ellis Graham "Sparky" Arceneaux Trophy" and is to be presented annually to the winning GYA skipper of the GYA US Sailing Quarter Final's Women's Championship aka "The Adams Cup". The trophy will reside at the winning skipper's GYA club until next contested. The year awarded the name of the winning skipper and the GYA club she represents shall be engraved on one of the trophy's sterling silver plates.

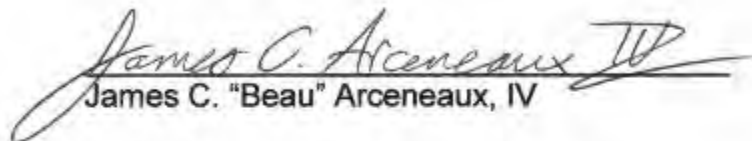

I feel my mother would have been honored to have a trophy dedicated to her memory recognizing the winning skipper of "The Adams Cup" quarter finals in the GYA. She was an avid sailor and represented the GYA as member of the US Sailing Women's Championship Committee for many years and participated in this event as well. As the GYA has had many Adams Champions throughout its history, we feel a perpetual recognition would enhance the participation at the GYA level of this National Championship.

In the event The Adams Cup Quarter Finals ceases to have a GYA Championship, it shall be awarded to the highest placing GYA US Sailing Women's Championship competitor during the winter meeting of the Gulf Yachting Association. I would further stipulate, with our approval and the approval of the GYA Board of Directors, the "Adriel Ellis Graham "Sparky" Arceneaux Trophy" be rededicated to another one-design appropriate GYA championship in the event the "Adams" Championship is no longer contested.

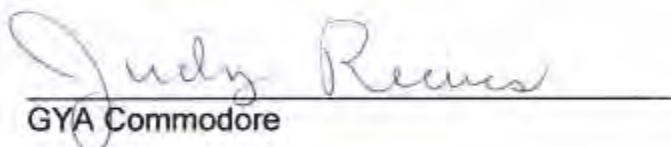

The stainless steel engraving plates placed on the wooden base shall include the winning skipper, crew, year and GYA club(s) represented.

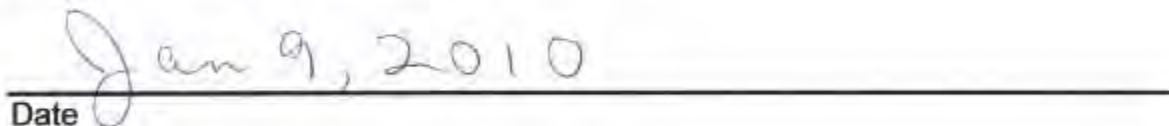

Upon retirement, the trophy is to reside in perpetuity at Southern Yacht Club.

## Commodore Auguste Capdevielle Trophy

The Commodore Auguste Capdevielle Memorial Trophy is a large, heavy, sterling silver bowl engraved on the center with a raised red enamel GYA burgee. On the back of the bowl is a raised replica of a fish boat with a red enamel number "9" and a very small red enamel fish on the mainsail of the boat. The winning clubs are engraved in block lettering around the entire circumference of the bowl. An intricate design is repeated six times around the upper part of the base of the bowl which sits on a rounded, graduated base. The bowl sits atop an octagonal base that has eight sterling silver name plates with smoothly rounded corners in each octagonal leg. The above described base sits on a larger octagonal base which also has eight sterling silver name plates.

### Auguste Capdevielle Memorial Trophy

This will document the purchase and dedication by the Gulf Yachting Association in the year 1941 of the Auguste Capdevielle Trophy for overall Gulf Yachting Association interclub competition in club-owned sailboats. The trophy was dedicated in memory of Auguste Capdevielle, who was commodore-president of the GYA from 1936-1939 and a past commodore of the Southern Yacht Club and chairman of its race committee for many years, and who met his untimely death in an automobile accident in the summer of 1940.

The trophy is to be awarded annually at the GYA Opening Regatta to the yacht club which has acquired the best scores in the regattas selected to count for the competition, and a suitable keeper trophy is to be presented to the winner.

The trophy is to be displayed at the winning yacht club, appropriately engraved, and returned by the winner to the Opening Regatta host club unless the GYA elects to take more restrictive steps to protect the trophy.

### Jack and Flo Scheib Service Award

The GYA has established a service award to honor individuals who over the years have made significant and outstanding contributions in service to the sport of sailing. The award will be named for and dedicated to Jack and Flo Scheib and they will also be the first recipients.

During World War II, Southern Yacht club's clubhouse was turned over to the U S Government for use by the Navy and Coast Guard. Undaunted, Jack Scheib, then race committee chairman for SYC still conducted races from the rocks and made sure the results were published. He was an avid supporter of the sport of sailing and took part in an unprecedented or repeated string of six strait Lipton victories. He served his own club as race chairman for 6 years and as a board member. His devotion to the sport earned him honorary memberships, not only in Southern Yacht Club, but also New Orleans, Buccaneer and Jackson Yacht Clubs.

J. Gilbert (Jack) Scheib served as GYA Commodore and served forty years as the Gulf Yachting Association Secretary-Treasurer until his death in 1980. He was the first Area Chairman and also chairman of the Mallory Cup judges and also served with the Adams and Sears Committees. He was responsible for bringing the prestigious NAYRU (predecessor of USSA) national sailing championships for the Mallory Cup, Adams Cup and Sears Cup to the South for the first time. He served on the executive committee of NAYRU in 1950.

Scheib was been instrumental in getting many people involved and active in the sport from both a participation and administrative standpoint.

Behind every great man is a great woman. Flora Scheib (whom we know as Flo) worked with him, joined him at countless meetings, conferences, regattas, etc. with patience and without a doubt specific and appreciated advice. All of this was done while she was raising 3 children and participating in community activities with specific interest in the Southern Yacht Club. Since 1980 as secretary Emeritus of the GYA, she has cared for and advised the GYA through the years. A celebrity in her own right, Flo has authored a much read and respected book, "The History of the Southern Yacht Club" and is currently working on another book.

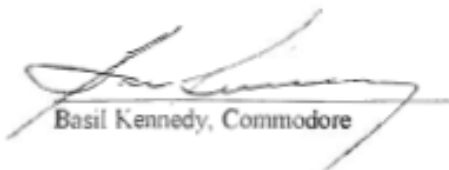

It should be obvious from the preceding that Flo and Jack Scheib have earned the title Mr. and Mrs. GYA.

This award is a tribute to Jack and Flo Scheib who have both dedicated their lives in service to the GYA, both on and off the water.

It is appropriate that the first GYA Service Award be presented to Jack and Flo Scheib.

The perpetual award will be presented each year at the Annual Winter Meeting in December. An appropriate keeper plaque will also be presented to each recipient of the award.

Motion to approve, seconded and approved unanimously, this the 6<sup>th</sup> day of December, 1992.

Basil Kennedy, Commodore

Robert I. Mace, Secretary-Treasurer
