

## 2026 GYA Multihull Calendar

Hello GYA Multihullers and Multihull Enthusiasts,

Below is a list of multihull-friendly events, races, regattas, and raft-ups for 2026 on the Gulf Coast. This schedule highlights events catering to multihulls 24' and larger. Many of these also include classes for Beach Cats and Wetas, while clubs like OSYC and FWYC offer many additional events specifically for those classes. Some of these events are GYA sanctioned regattas, some are individual club regattas/races, and some are casual races/regattas/raft-ups. Hopefully, there is something that caters to or interests all of you.

Please spread the word and join us for a great year on the water.

2026 Event Schedule:

- Race to Nowhere (New Event): 26 April 2026 – Pensacola
  - [https://www.regattaman.com/new\\_event\\_page.php?race\\_id=1276&yr=2026](https://www.regattaman.com/new_event_page.php?race_id=1276&yr=2026)
